Steve,

I'm not sure what you are getting at. Are you referring to the cleanouts or something else.

Thanks,

Dave

Dave, yes this is good. We just need to do the detailed up close view of the valve set at the base of the slope below GK to make sure the various ports to valves are marked as to the flow each controls, etc.

Thanks

Steve,

Is this what you had in mind for the valving figure?

Thanks,

Dave
